Subject: Re: URGENT: glyphosate 2-pager for editing

Hi Gina--Please send the epi memo and Glinda's attachment for me thru Ken to Tom today. That part is OK. It's the larger summary that Norm sent me yesterday that I'll need to rewrite by Monday ... Thanks! And have a great weekend--Vince

OK. I sent a not to Ken last night with what he asked me for, noting that things were changing a two-pager was being developed that you hadn't seen yet.

I just wanted him to know we had done what he asked re: the memo and Glinda's comments.

I thought I copied you, but I will check.

I will let this go until Monday -- but -- I am a little worried that the IOAA wants briefing materials 48 hrs. in advance, and they are likely to be grumpy.

That being said, Norm is not in today either -- and he is the one who has been handling this as it has evolved.

So... see you Monday!! ☺

Hi Gina- Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5 I'm going to see what I learn from Glinda Friday morning and then either send instructions or make the edits over the weekend. (I start my return before 10am and arrive at 9pm, so I'll be out-of-touch most of the day.)

Thanks for watching this, and we'll figure it out by Monday morning ... Have a good weekend--Vince

Vince

Please review the attached and edit as needed. We need to boil down the glyphosate issues into something brief for the meeting with Tom on Tuesday afternoon. I've read through the information and came up with the attached as a start. [REDACTED]

Deliberative Process / Ex. 5

Nobody has reviewed this so far. [REDACTED] **Deliberative Process / Ex. 5** [REDACTED] The other text is original from me and my review of the information. It would be good to share a revised draft with others in NCEA and ORD (especially Charles Wood and Danelle Lobdell) prior to submitting it.

I'm out tomorrow but we need to get this to Nathan tomorrow or Monday morning at the very latest.

Thanks

Norm
